Tom opened the meeting with discussion of the donated boat and the fact that is not worth fixing at this point. Mention was made of possibly selling the donated trailer to raise money for our squadron. Tom said he will run off certificates for the boys & girls club. New member Jim Stevens will help take kids from the boy's club to the Community College for a tour of the school.

There was discussion about upcoming boating courses for the public. Steve Whyland went over the schedule for classes. The cost of the classes this year will be \$35. per person or \$45 for 2 people sharing a book. Ron Lavoie is going to teach a few classes at Owens Marine on Route 28 in Hooksett. Steve said there are approximately 140,000 people that still need to get boaters certificates in the State of NH. Tom Roscoe will advertise the Boat Safety Class schedule. Mal also mentioned that there is a possibility to have class at Corinthian Yacht Club- he is looking into this and will update as soon as he can.

Tom Roscoe has advertised the VSC schedule in the Laker and the Laker Spring. Irene Saunders will be back from Florida soon and will go over the schedule, get decals out etc. In the meantime if anyone has any questions in regards to the VSC Tom said it is ok to call Irene on her cell 339-1240.

Bob Saunders is also still in Florida but he did send a Treasurer's report to Mal Cook

that was distributed at the meeting. We are in good shape financially. Steve motioned to not reinvest the entire CD that is coming due but instead keep \$1000 aside for books and supplies. Ron seconded this motion all were in favor.
